Preface

Dear cycling friends

We are proud to announce that on Saturday, June 10, 2023, the Grand Prix Tom Dumoulin will be held for the 1st time in our existence.

A unique concept of, on the one hand, a tough climbing competition at the Tom Dumoulin Bike Park in Sittard-Geleen, after which a team time trial will be held in and around the village center of Buchten.

Both the Board of the Bike Park Foundation Sittard-Geleen and the cycling committee Buchten welcome 22 junior teams, each with 6 riders. An international field that will compete for the highest honours.

On September 10, the Grand Prix Tom Dumoulin will be held for newcomers. Here too, the concept is to ride a climbing competition at the Bike Park, followed by an individual time trial that will also be held at the Bike Park. Here too, the organization will be provided by the Bike Park Sittard-Geleen Foundation and the Buchten cycling committee

I hope to welcome you on Saturday June 10 in the municipality of Sittard-Geleen.

Also on behalf of Frans Hoedemakers, Chairman Cycling Committee Buchten

With sporty greetings

Peter Bouwels

Chairman of the Bike Park Sittard-Geleen Foundation
